Earn a Little Extra Cash

Want to earn a little spending money? Why don't you offer to help your parents around the house during your winter break? Chores are a simple way to make money on the days between your winter holidays. Too cold outside or raining? Offer to wash the dishes or help with the laundry.

Talk to your parents about what they will pay you and then start reporting to work. After a few weeks you'll have enough money to buy a video game, go see a movie or even open a savings account.

Ask your parents today about what you can do to earn some extra cash.

Don't forget
to stop by on
December 19th
for your chance to
meet Santa!

The Molecule

4th Quarter 2008

This is a publication for young members of Lubrizol Employees' Credit Union

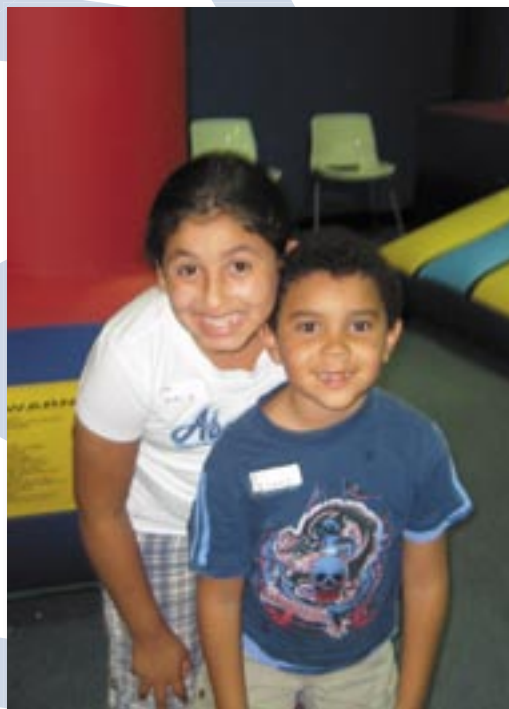

A big thanks and good luck to Zachary R. Zeglin, our first "Lil' Atoms" kids club member to make a deposit into his savings account using his Lil' Atoms Savings Punch Card. His parents are Leo & Elizabeth Zeglin. Congratulations!

Each time any child 12 and under makes a deposit into their account (no matter what dollar amount), their Lil' Atoms Punch Card will be marked. When their card is filled up completely they can put it into a quarterly drawing for a chance to win a \$100 cash prize! So bring your child to the credit union and have them make their deposit today!

Lil' Atoms members enjoyed the youth day at Jumpin Wild.
