Together, we're encouraging young members to express themselves through photography, sharing their visions for their own financial futures so we can help them get there. As a jumpstart, **we are giving \$100 to one lucky youth member.** Here's how you could win:

Bring your child into the credit union to **open an account** during the month of April and learn about the benefits of saving for the future.

or

Help your child create a vision board. **Share their vision board on our Facebook Page** and let's talk about how to make their dreams become a reality.
